# NSDTC Rally Obedience Trial & Retrieving Ability Test for Gundogs

## 14 January 2017

After a very hot day, the evening breeze, that St Ives Showground is famous for, arrived just in time for the start of judging in the Rally O rings.

Judging by the many comments & compliments we received, the trial & test were a success & enjoyed by the competitors. Hopefully all will come back again on 30 April for our Annual Obedience & Rally Obedience Trial.

Our wonderful judges were Lynne Elliott for Gundogs & Linda Dibbin, Tiki Freizer & Maryanne Fazekas for Rally O.

Peter Coulthart was our Dogs NSW Representative. We always take great pleasure in welcoming Peter as part of the team.

The Trial Sub Committee, Manager Tracy Geary: Secretary Ginny Legh, Chief Steward Gael Goldsack & Trophy Officer Denise Wigney want to say a huge thank you to all the club members who assisted with the myriad pre-trial day tasks, liaising with Council, setting up rings, checking & moving equipment, manning the check in table, stewarding in the rings, catering for officials & competitors, doing the admin tasks, etc, etc, etc.

Without the assistance & expertise given by our wonderful, willing & dedicated volunteers, Northern Suburbs Dog Training Club could not run a trial.

Special thanks to Sharon Househam who works her magic to produce the catalogue & the templates for printing the Qualifying Certificates.

Extra special thanks to Kim Dowding & Andy Seitz who spent 3 hours on a very hot Friday measuring & marking out the rings, then fronted again on Saturday afternoon to put up the Rally O & RATG rings with help from John Jonker & Anna Uther.

As usual, our terrific & imaginative catering team, Kay Hogan & Sharon Househam, excelled in providing a fabulous official dinner & lots of great food for the competitors. Thank you both so much.

A special thank you to Lana Partridge for providing a tempting finger food spread, on site, for the RATG judge & stewards.

Special thanks to Eve Park, who single handedly checked the score cards & marked up the catalogue needed as part of the package for Dogs NSW.

A special & big thank you to Ray Temple who organised everything relating to RATG.

Penny Dalzell organised a raffle to raise money for the Club's upcoming Dances with Dogs Competition. The raffle raised \$230.00! Our thanks to Eve Ryan who was a very successful raffle ticket seller.

The Sub Committee thanks Guy Thomas from Ku-ring-gai Council for ensuring the floodlights were not turned off before the agreed time. Last year two dogs had to be judged under car head lights!!

# Rally Obedience Trial

We had 101 Rally O entries.

Maryanne Fazekas judged Excellent A & Novice

Tiki Freizer judged Excellent B , Advanced A & B

Linda Dibbin judged Rally Master

Sixteen dogs qualified in Novice, three in Advanced A, five in Advanced B, three in Excellent A, four in Excellent B & nine in Master.

Overall this equates to approximately a 40% pass rate.

Twenty two club members entered. Between them they gained seventeen qualifications (for those not familiar with Rally O they gained a pass mark!)

**Congratulations** to our club members who gained places -

**Novice:** Nicole Keller & Flare 1<sup>st</sup> place & Pauline Camp & Lucy 2<sup>nd</sup> place

**Advanced A:** Emma Mayne & Mia 1<sup>st</sup> place

**Advanced B:** Alaina Graham & Luci 1<sup>st</sup> place & Alaina Graham & Sophi 3<sup>rd</sup> place

**Excellent B:** Alaina Graham & Sophi 2<sup>nd</sup> place

## Retrieving Ability Test for Gundogs (RATG)

Our thanks to Ray Temple who did a great job organising all aspects of the RATG component of the event.

Our RATG judge & stewards were treated to a fine finger food spread, on site, thanks to Lana Partridge.

RATG commenced at 5.00pm with the retrieving exercises being undertaken first to ensure all dogs competed in daylight. Only those who qualified in these exercises went on to do the obedience component.

Overall there were 19 entries - 10 in RATG Novice, 9 in RATG Open. This is a large increase for both levels in the second year RATG has been held in conjunction with the Rally Obedience Trial.

Four dogs qualified in RATG Novice. Three qualified in RATG Open.

**Congratulations** to our club members who gained places or qualified -

**RATG Novice:** Arun Raghu & Jerry 2<sup>nd</sup> place & Victoria Gore & Bella qualified.

**RATG Open:** Ray Temple & Rebel 1<sup>st</sup> place

Ginny Legh, Trial Secretary

# My first experience of being a RATG competitor

Rebecca Braid

It was a hot Saturday as Ray, Sue & Bob set up the runs for the RATG (Retrieving Ability Test for Gundogs). Our judge was Lynne Elliot.

There have been many RATG's at NSDTC & in January 2017 we were all ready to give it a go due to Ray Temple's fantastic instruction.

The novice team was understandably very nervous as we ran through our pre trial exercises Ray has taught us to do to get our dogs ready. It was exciting to see both novice & open entrants from all over come for the day & we had wonderful support on the throwers by Sue & Kala. The day began with a tricky retrieve over a large jump. All dogs entered, except two, attempted the run with many of the dogs going around the jump to get the dummy rather than straight out & over & straight back. My Goldie decided that the water near the food table was more to her liking than the dummy.

After some wonderful finger food, made by Lana, we moved on to the next part of the trial. The second retrieve was 70 metres & all dogs entered attempted the run with some wonderful results. The dogs running in Open had the added difficulty of a double retrieve with the second dummy not being seen by the dog. Of course the boss (Ray) & his dog Rebel, ran a near perfect run & showed everyone how it's done.

We then moved to the rings near the club house to finish the trial with some obedience work. All dogs entered did so well we had a tie for first in Novice. Jerry, (our own NSDTC member) handled by Arun & his mum, had to play off against a visiting GSP who eventually won the day placing Jerry second in Novice.

Ray Temple took out first in the Open section much to the joy of our club members. The boss deserved the win. Well done all entrants & many thanks to all who volunteered to make the day a success for our Gundogs.

To Ginny Legh who manages to keep us all organised & to Tracy Geary, what a great Trial for NSDTC Rally O & Gundog work.

**A Healthy Dog  
is  
a Happy Dog**

**Paralysis ticks  
are alive & well  
Check your dog daily**

- Use your finger tips to go over every millimetre of your dog's body. Remember to include ears, eyelids, nostrils, inside lip margins, around anus & vulva or penis & between toes & around nail beds.
- If you find a tick, remove it immediately. You can use a tick hook (available from pet shops & pharmacies). Observe your dog very closely for the next 48 hours.
- If you notice any change in voice, any vomiting or gagging, wobbly walking, cough or difficulty breathing, **get your dog to a vet ASAP.**
- Tick paralysis can cause death.
- Do not rely solely on preventative medications or tick collars - they help but **do not** provide 100% protection. **Use your eyes & fingers.**

**Don't know what paralysis ticks look like? Check the chart in the club house.**

### What is it?

Reward based training uses **positive reinforcement training methods**. A suitable reward is provided every time your puppy performs a desired behaviour. Unwanted behaviours are ignored & not rewarded & will eventually self extinguish.

### What does it do?

Reward based training results in your puppy being happy & keen to learn. They'll really enjoy working with you. They'll listen to you, pay attention & focus on you. Learning becomes an easy & pleasurable experience for all.

### Types of rewards

Rewards for puppies come in many guises such as food, your voice, pats, cuddles & toys.

### Value of rewards

Each puppy places a different value on each type of reward. Some much prefer food or toys, some really like pats & cuddles, some react most positively to your voice.

Food treats need to be very tasty, completely different to the food they get every day & it's best to have a selection in your treat bag. Being offered the same thing over & over, during an hour long class, can result in your pup losing interest.

When training your pup at home, each session should last no longer than 5 minutes.

### So how do you reward your pup appropriately?

- choose foods that your pup sees as **high value** treats. Some of the favourites are devon, cooked chicken or sausages, small meaty scraps from a leg of lamb, a beef roast or a steak & a little cheddar cheese
- give treats **generously** & use a happy sounding voice when teaching & practising all exercises whether you're at home, out on walks or in a leash free park
- food treats for puppies should be **tiny**, really tiny - no bigger than your little finger nail. You'll find you can quickly give your pup 2 - 3 treats of this size & they'll think they've hit the jackpot
- jackpots - if your pup does something really well, then quickly reward them with your voice, lots of pats & cuddles & feed 5 - 6 treats in quick succession. Use the cue word **jackpot** - pups soon learn the meaning of the word & will get really excited whenever you say it
- all **rewards** must be given **within a couple of seconds** of the wanted behaviour occurring otherwise they won't know what they're being rewarded for
- use a bridging or marker word, like **yes**, to instantly mark the moment when your pup did the right thing. Pups soon learn to love the sound of this praise word
- jackpots & enthusiastic praise are wonderful ways of waking up a lagging or bored pup (but make sure they've really earned it - ask them to do an exercise you know they do well, so you can excitedly give them a jackpot)
- as you progress further with their training you'll stop luring, but make sure you always have tiny treats at the ready & give them generously
- start by randomising the giving of treats & intersperse them with voice only rewards, in other words you'll keep your pup guessing as to when the next treat will appear
- once your pup knows the exercise you can reward with **yes** every time they do it correctly & randomise the giving of treats even more
- always remember, a particularly good response should earn a jackpot.

**Make responding to your voice great fun.  
Even if you've forgotten the treats  
you always have your voice with you!**

# NSDTC Inc VACCINATION POLICY

Up-dated September 2010

- NSDTC requires a minimum C3 (distemper, hepatitis, parvovirus) vaccination administered after the age of 12 weeks for all puppies less than 12 months old.  
Please Note. A delay of two weeks after the final puppy vaccinations is required before puppies are permitted to join classes.
- All adult dogs (over 12 months old) joining or renewing, must have had at least a C3 vaccination administered after 12 months of age. Triennial (3-yearly) C3 vaccination is considered acceptable thereafter.
- Dogs joining or renewing over the age of 4 years that have not had a C3 vaccination in the preceding 3 years must be referred to the Club Vet officer or official nominee.
- Veterinary certificates showing adequate antibody titres\* to distemper, hepatitis & parvovirus will be accepted by NSDTC for all adult dogs as long as they are dated within the preceding 12 months.  
\*Adequate antibody titres for distemper, hepatitis & parvovirus are considered to be > 1: 20
- As Bordetella & Parainfluenza (both agents causing canine cough) are not generally life threatening to healthy dogs, these vaccinations would be optional, but recommended & owners are reminded these may be required by boarding kennels.
- All vaccination & antibody titre certificates must be signed by a registered veterinary surgeon.
- Homeopathic 'vaccinations' will not be accepted.

## PARKING

- **Please park on the LEFT of the road as you enter the showground or near the picnic area beside the Douglas Pickering Pavilion.**
- The parking area on the right, nearer the Clubhouse, is for 'on duty' Club Members who need to leave their dogs in the car, carry equipment, etc. Thank you.

## CLUB & USE of GROUND GUIDELINES

These guidelines are for the benefit of all members & the general public who use St Ives Showground.

- All dogs must be on lead during club training times (except when off lead work is directed by an instructor during class).
- Dog droppings must be cleaned up & placed in a bin.
- Always wear your name tag.
- The dog rings are a leash free area EXCEPT on Saturdays.
- The main oval may be used for leash free exercise, so long as no other organised event is taking place.
