## Rally O and RATG Trial

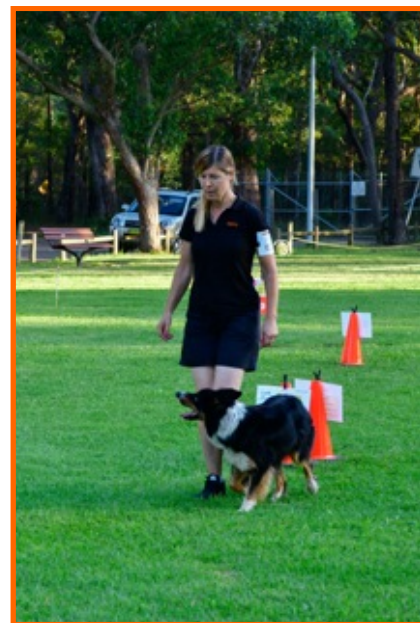

On Saturday 12 January the Club held its annual evening *Rally Obedience trial & Retrieving Ability Test for Gundogs (RATG)*. The day was extremely hot & humid but by the start of the trial at 6pm things had improved somewhat. About 30 Club volunteers & judges enjoyed a sumptuous dinner provided by Kay & Sharon, before heading off to their various rings.

The results in Rally were outstanding, with 13 of the 17 place-getters being NSDTC members. To top that off, two of our members obtained perfect scores of 100 – Penny Dalzell with Zypperty in the Excellent B ring & Glen Tabell with Rusty in Novice (at their first ever Rally trial)!

Congratulations to these & the many other Club members who gained qualifications & titles on the night. The entry in RATG was our largest ever & finished up with 5 qualifiers over the Novice & Open rings.

Thanks to our judges, Dogs NSW Representative & all the helpers on the afternoon & evening who set up & took down rings, carted equipment, manned the check-in table, stewarded in the rings & provided the excellent catering.

# Frozen dog treats for summer

Frozen treats can help keep your dog cool on sweltering days.

I like to keep things simple, so my frozen treats contain only a few ingredients!

## What you will need:

plastic moulds, or ice block containers for freezer.

ingredients:

chicken stock ; bought or made from left over chicken bones, and sardines or tuna.

OR

bananas and chicken stock. You can add a bit of dried dog food in, too!

Mix ingredients and FREEZE. You can use a small plastic container or ice cube moulds. Jessie likes the smaller ones as they are easier to crunch.

Other popular ingredients are berries with yoghurt and peanut butter.

All dog treats in our house have to go to the Lab for testing first! Jessie also likes cold watermelon slices.

What treats does your dog like to eat?

## Doggy Diary Dates

A couple of important dates are listed below as reminders.

ALL training and other important dates are listed on the NSDTC website and updated regularly. If training is cancelled due to weather, look on FB page or website.

## Saturday 23rd February

General Meeting @4pm.

## Saturday 2nd March

Promotion test day 2-3pm. Anzac Day public holidays.

**Note:** the April general meeting has been postponed until **4th May**, because of the Easter public holidays.

## Help needed!

### Registration table

The ladies on the registration table desperately need some help between 2 and 3pm. Kala will be away for quite a few weeks and Lana likes to put her dog in class from 1.30-2.30pm.

Could you come early and help out for your Saturday class or perhaps come along anyway? It's not difficult, just registering people for NSDTC and giving out info packs. Its also a great way to meet people and help out at the club.

Stewards needed for our April Obedience and Rally O trial on 28th April. We will need about 25 stewards.

Training will be available on 9 March and 23rd March at 4pm and again on 6th April at 12.30pm

Volunteers will need to attend one session if they have never stewarded before, but it is quite easy.

Come along and see how Trials work. It's really interesting and there is always a wonderful morning tea and lunch provided!

## A Cuppa in the Clubhouse with...

### Di Hollet

Di has been a member of NSDTC for over 15 years and has recently been made a life member for her services to the club

She served as Vice President for a couple of years, and has been a member of the Education sub-committee for a few years. Di has been teaching Rally O since its inception and currently runs the Monday evening classes, which are a lot of fun.

Di is a busy lady who helps regularly at trials and ring practice nights, and also mentors aspiring judges

Di is a regular judge at NSDTC trials.

#### When did you join NSDTC?

I joined NSDTC in 2002 with my handsome & somewhat entertaining boy, my Airedale Terrier Billy.

Di with her beloved Darcy

#### When did you start training dogs?

I started training with my gorgeous Pekingese Cherie at Sutherland Shire DTC 1972. A couple of years later came Remus my magnificent Airedale Terrier, Breed Champion & CDX. (I had an Airedale as a child and he accompanied me when I went riding on my bike around Lake Illawarra).

I then ventured into German Shorthair Pointers, with my first lovely boy Otto, (competed in U.D., Gun Dog). Some years later Ridge my very special GSP, (CDX) then came the love of my life Billy my Airedale Terrier, (CH & CD). I now have my adorable GSP Darcy (CCD, R.E, GD, SPD) who loves to challenge me and he is heaps of fun to live with. He loves life.

Darcy with some awards

### Where can you find me at the club?

You can always find me on a Saturday morning having heaps of fun with Darcy playing at Agility.

Monday night I instruct Rally O and have fun playing at Rally O with Darcy and a wonderful group of people and we really enjoy ourselves.

Obedience in the cooler weather on a Saturday, 1.30 class.

I have also been “playing” with Tricks, a lot of fun too.

### Activities?

I have successfully competed in Gun Dog (many years ago), Obedience (U.D), Rally O (R.E), Agility, my passion, (Novice/Excellent).

He just loves going for a swim.

I am also an Obedience & Rally O judge and I do enjoy this.

**One piece of advice**, Have **FUN** with your dogs, play games, don't expect too much from them and “enjoy the journey”.

## President's Pen

A big welcome back to dog training to all members and their dogs. A particular welcome to those of you who have joined the club in 2019 and a hope that you will be very happy with us here at Northern Suburbs.

We are very lucky to have beautiful grounds for our training and a wonderful bunch of volunteer instructors to help you train your puppies and dogs to be well behaved members of family and community.

Already, in the new year, we have been busy running a Rally Obedience and Gundog trial and our Agility enthusiasts have hosted an excellent education workshop.

Now it is up to you to have a whole load of fun with your dog as you work through the exercises you will be taught during your Saturday mornings or afternoons with us.

Judy Perrin

## Editor's Note

Welcome back after the summer break, and to the new members of NSDTC who have joined us this year! You are embarking on a rewarding journey with your dog. If there is anything you need to know, just ask one of our friendly instructors (in the green shirts) or the ladies at the registration table.

Also, there is lots of information available on the NSDTC website.

Remember to bring your name badge to class. If you lose it, the registration team can issue you with a temporary one.

Congratulations to all those who won awards over the summer, or just competed had fun. It is inspiring to see what you can achieve with regular training.

If you have any stories, photos or suggestions for Yaps and Yelps, please email [NSDTC.editor@gmail.com](mailto:NSDTC.editor@gmail.com).
