<p>We need this information for the safety of you, our other members &amp; our Instructors. Minor dog to dog issues are not uncommon and we are here to help. On rare occasions, however, a dog may not be suitable for a class situation and requires instead professional behavioural advice. In this case we will assess and recommend further best options.</p> <p>Please join us for free tea/coffee, biscuits and a chat in the clubhouse after training – dogs welcome.</p> <p>We hope that you and your dog will be happy at NSDTC. We welcome constructive comments and are always looking for volunteers to help us to make NSDTC an even better club.</p>
