

Northern Suburbs Dog Training Club COVID-19 TRAINING POLICY – January 2021

This policy outlines our procedures for members who attend training during COVID -19 pandemic. Your safety and health are paramount to us and we are actively reviewing and taking steps to ensure that NSDTC training area remains safe and COVID-19 free.

ADMINISTRATION

Upon arrival at the ground, all handlers and accompanying persons must register via the QR Code linked to the Services NSW app. Copies of the code are on display around the clubhouse.

All members to be advised to bring their own drinking water and personal hand sanitiser.

Some large packs of sanitiser will be provided by the club for use during cleaning and equipment handling.

All Members - new or returning- must sign the Club COVID-19 Protocols (at the end of this document).

Members are not to enter the Clubhouse, Office or Equipment Room unless authorised to do so. Signs indicate the maximum number of people in each area.

Refreshments are only available if a designated server, practicing hygiene protocols, is in attendance at the counter. No “help yourself” is currently permitted.

All Clubhouse areas used or touched must be cleaned and sanitised after each session (e.g. Saturday morning, early afternoon and late afternoon).

All members are encouraged to use the Public Toilets - the Clubhouse toilets, if used, must be sanitised after each use by the user (NSW Safework).

Each Discipline may have additional safety protocols regarding the running of classes (as displayed on the NSDTC website and Facebook page).

Sanitiser and gloves will be made available to all Instructors and other volunteers for each training session.

A member will be entrusted with the sanitising of equipment etc. for each discipline for each session as required by Safework.

Sanitiser will be provided in all areas of the Clubhouse and available to take into classes where necessary.

Members to be kept informed of current protocols in place for training.

REGISTRATION

New Members and renewals to be paid by direct deposit or EFTPOS.

Vaccination Certificate to be scanned or photographed and submitted online if possible.

Profile form to be submitted online if possible.

MEMBERS

Every member - new or returning- must sign and return the Club's CCOVID-19 Protocols Agreement (below).

Members will be asked to bring their own pocket sized sanitiser.

Members will be asked to use the public toilets, or agree to clean the ones in the clubhouse immediately after use.

All Members to maintain the 1.5m distance.

Members must not pat another's dog.

MEMBERS RESPONSIBILITIES – COVID-19 PROTOCOL AGREEMENT

Please sign and return to NSDTC on your first day of training (once only).

- Upon arrival, sign in via the QR Code on display around the Clubhouse – Any accompanying person must also be signed in.
- Take reasonable care to ensure your own health and safety and that of fellow members.
- Do not come to the grounds if you are unwell.
- Follow any safety procedures or protocols we implement from time to time.
- Bring your own personal sanitiser and use as required.
- Bring your own dog treats and personal drinking water.
- Use the public toilets where possible
- Do not enter the Clubhouse, Office or Equipment Room unless authorised to do so. Signs indicate the maximum number of people in each area.
- Observe Social Distancing at all times. (Currently 1.5m)
- Practice sneeze/cough etiquette.
- Clean/sanitise any equipment or other surfaces that you have used or touched.
- Avoid patting another's dog.
- Sign out on the NSW Services App. when leaving the grounds.
- I have read and understood the NSDTC COVID-19 Training Policy (above) and the NSDTC COVID-19 SAFETY PLAN- as available on the NSDTC website or as displayed on the Clubhouse notice board.
